Ready to go. Ready to work.
Bouncing between your home-office and the office-office is a piece of cake for this slim and comfy keyboard. It's spill resistant, sanitizable[1] and space saving, excellent for commuting and travel. When you find yourself working into the evening, enjoy its warm white LED glow and super-quiet keys.

Create your new favorite key
Adjust your workspace to suit you. With 12 programmable keys[1], you can create your own shortcuts or automate difficult keystroke combinations to save yourself time while you work. And with a 0–6 degree tilt and three levels of adjustable LED brightness, comfort is in your hands.

No simpler way to connect
This portable keyboard plugs right into any of your devices. Equipped with a USB-C® cord and USB-A adapter, it's always ready to get to work. Travel and commuter friendly. Illuminate your keys without worrying about battery life. Just an always-on keyboard whenever and wherever you work.

Built for a better tomorrow
The better choice for a brighter tomorrow, the HP 405 Backlit Wired Keyboard is sustainably designed using 50% post-consumer recycled materials[3]. With FSC certified, all-fiber, plastic-free packaging, you can be confident your keyboard does good things for the planet while doing amazing things for you.
