Description

Keep your kids' ears comfortable and protected with premium wireless on-ear headphones designed just for them. Whether they're doing schoolwork online or watching videos in the back seat, easy pairing and intuitive controls are perfect even for young kids, while a volume cap of 85 dB keeps them safe during longer listening sessions. A battery life of up to 30 hours means kids can spend more uninterrupted time with their favorite sounds, and durability testing up to two years keeps them safe from spills and accidents.
