The Professionals' Choice™

Classic USB-A Headset with Mic and Volume Control

Part Number: K33065WW | UPC Code: 085896330653

Exceptional Sound

Forty-millimeter drivers with deep bass and a wide dynamic range deliver an excellent listening experience.

Outstanding Comfort & Robust Design

Designed to fit heads of all ages, the adjustable headband is padded and the foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use. The flexible boom-style microphone can be rotated up to 270 degrees. Durable materials, including a six-foot USB cord that allows for flexible movement make this headset ideal for learning environments, call centers, business professionals, and recreational gamers.

Noise-Cancelling Microphone with Volume and Mic Mute Controls

Uses passive resistance technology to filter out ambient noise for optimum speech clarity. Easily adjust volume and mute the microphone with easy-to-reach controls built right into the USB cord.

Safe Listening Limit

Sets the maximum output to 94db to protect ears from hearing loss associated with excessive loudness.

Multi-Device Compatibility

Works with Windows, Mac and Chromebook devices.

One-Year Warranty

Rest assured knowing you're covered by Kensington.

Classic USB-A Headset with Mic and Volume Control

Part Number: K33065WW | UPC Code: 085896330653
