

TM-515 – The robust high-class Micro-Tower!

With a material thickness of 0.8mm the **TM-515** is the perfect Micro-Case for office - and also industrial usage.

The **TM-515** also convinces due to its integrated quick release fasteners which allow you to fix the external 3.5" and 5.25" drives in a trice. The internal HDD cage is removable to ensure a quick and easy mounting of your 2.5" and 3.5" HDDs.

To complete the great package of the **TM-515**, it offers reusable slot-brackets and two **USB 3.0** front connectors.
