

Model: **AK-SW-16**

Product code	AK-SW-16
Responsible Entity	Akyga Europe Sp. z o.o., 52-200 Suchy Dwór, Wrocławska 1c, Polska/Poland, contact@akyga.com
Compatible with	Amazfit
Power supply connector	USB
Cable length	1 m
Product size (L x W x H)	40 x 40 x 8 mm
Package size (L x W x H)	160 x 115 x 9 mm
Net weight	25 g
Gross weight	28 g
CE compatibility	Yes
RoHS compatibility	Yes
REACH compatibility	Yes
EAN code	5901720136657
Warranty	24 months

## Description

**The Akyga® AK-SW-16 charging cradle** has been created with users of **the Amazfit Stratos 3** sports watches in mind. The excellent attention to detail makes it an ideal replacement for the original charger in case it is damaged or lost. The long **1 m cable** has been terminated with a USB plug. Thanks to this, connecting the cradle to a power source is not only convenient due to the length of the cable, but also due to the universal and widely used USB connector. It is up to you, what you connect the charger to, whether it is a powerbank, which you use on the go, your laptop in the office or even an AC adapter. In addition, the cradle has a **built-in magnet** that simultaneously prevents the smartwatch from moving and protects it from accidental disconnection during charging.
