The Callaz can press under pressure – with Outemu linear mechanical red switches that last up to a whopping 50 million key presses, this keyboard is ready to game (and sound satisfying at the same time!)

Never a dull moment

Flip the switch

This keyboard might be tenkeyless, but it still has all the keys you’ll need for the perfect gaming session. A game mode switch, multimedia keys and N-key rollover ensure you keep your head (and hands) in the game.

At the top(plate) of your game

Your gaming characters get armour plates, the Callaz gets a metal top plate! Extra durable, this keyboard is your perfect play pal for even the most intense gaming sessions.
