

ARAGON

Modern high definition POS Terminal in a sleek and elegant design

Custom presents the **Aragon Windows® POS terminal**. With a **16:9 widescreen display**, it ensures better visibility into modern point of sale applications. **A POS Terminal that's built for the future**. A range of available processors make it applicable to any use case. The Aragon boasts a **sleek and slim design with future-proof full HD touch display and a full-glass front**.

CHARACTERISTICS

1. **Slim high-definition display with minimal bezels**
The modern design and the all glass front are accentuated by the 12 mm bezels and 33 mm thickness.
2. **Fan-less and quiet**
Highly ergonomic, thanks to the slim design, and fan-less for quiet operations.
3. **Compatible with different OS**
It supports different operating systems: Windows® 10 IoT, Windows® 11 Pro and Linux.
4. **Kiosk or wall mounted**
Aragon can be attached to any VESA fixture in either landscape or portrait position.
5. **Field upgradable**
SSD easily upgradable to increase system specifications.
6. **Rich I/O**
Onboard Ethernet, optional WiFi/ Bluetooth and a host of retail-specific ports provide extensive device and network connectivity.
