Features and Benefits

Refined and intuitive design

SoundSticks 5 Wi-Fi reimagines its iconic silhouette with a luminous white finish that brings effortless elegance to any space. Its fully transparent dome and clear satellite speakers are accented with polished metallic details for a clean, sophisticated aesthetic that complements modern interiors. Every element is designed for simplicity—from the streamlined rear connectivity island to the responsive touch controls on the base of the right speaker—delivering a premium experience that looks refined and feels effortless.

Extraordinary sound with 3-way speaker design

SoundSticks 5 Wi-Fi's three-way speaker design provides a detailed, clear stereo soundstage. Its down-firing subwoofer delivers punchy, accurate bass. Dual silk dome tweeters and mid-range drivers provide flawless vocal and instrument reproduction.

Works with all ecosystems and music streaming services

Enjoy your favorite music and podcasts in engaging high-definition sound. Choose from hundreds of online music streaming services through AirPlay, Google Cast, Spotify Connect, Tidal Connect, and Roon Ready.

Seamless Bluetooth® streaming

In addition to its built-in home network access, SoundSticks 5 Wi-Fi connects seamlessly to up to two mobile devices simultaneously via Bluetooth®. So when your friends come over, they can easily share their favorite new songs straight from their phones in exceptional, high-quality audio.

Bring light to your music

Transform your experience with the engaging lightshows of SoundSticks 5 Wi-Fi. Vibrant colors and hypnotic movements elevate the impact of your favorite music. Evoke your choice of soothing, relaxing, or energetic vibes to perfectly complement your music and harmonize with your emotions.

Harman Kardon One app

The Harman Kardon One app makes it easy to set up your SoundSticks 5 and personalize the audio and lightshow settings. You can also customize EQ, manage all your compatible speakers in one convenient place, and even install software updates—all from the comfort of your couch.

Multi-speaker connection by Auracast™

The SoundSticks 5 features multi-speaker connection via Auracast™. Use the Harman Kardon One app to connect two or more Harman Kardon speakers and fill your space with seamless synchronized sound. Whether you're setting a mood or throwing a party, effortlessly connect as many speakers as you want for an immersive sound experience.
