Manufacturer item no.	ZT41142-T0EC000Z

Description

Drive productivity with the ZT400 Series. Constructed with an all-metal frame and bi-fold door, these printer are durable and allow easy access. The 4.3-inch full-color touch display with intuitive interface makes them easy to use, and shows color-coded printer status alerts. Configure your printer your way with advanced technology, along with two open communication slots. These printers keep your critical operations running efficiently today, and give you the flexibility to add features in the future as you need them.

Available in three print resolutions and two print widths, the ZT400 Series addresses a broad array of applications. They are easy to integrate and manage with Zebra's Print DNA suite of applications, utilities and developer tools—all powered by Link-OS®.

Main features

General	
Print technology	Thermal transfer
Maximum resolution	203 x 203 DPI
