

## Alphacool Eiszapfen 16/10mm compression fitting G1/4

Liquid cooling system fitting - deep black (pack of 6)

Group	Software
Manufacturer	Alphacool
Manufacturer item no.	17234
EAN/UPC	4250197172349

### Description

Alphacool's Eiszapfen Connector Series is the high-end execution of these tried-and-true connectors!

Every requirement you could have of a connector is met with this series: high flow, form, processing and color. A refusal to compromise in development and production has made the Eiszapfen series into what it is.

A special procedure binds the outer coating firmly to the surface, improving the longevity of the intense color and preventing any chipping or peeling of the coating. Every connector now has the Alphacool logo, which along with their distinctive shape makes them unmistakable!

The connecting nut's slanted corners allow the O-ring to be pressed firmly against the HardTube, ensuring it sits even more securely than before. This allows for greater safety in transport.

### Main features

Product Description	Alphacool Eiszapfen 16/10mm compression fitting G1/4 liquid cooling system fitting
Product Type	Liquid cooling system fitting
Packaged Quantity	6 (specifications are for single item)
Colour	Deep black
Product Material	Brass
Dimensions (WxDxH)	2.7 cm
Weight	100 g
Features	G1/4" thread, for 16/10mm tubing

### Extended details
