Description

The Akyga® AK-SW-49 OPPO Band charging cable is a reliable accessory designed for **OPPO Band AB96** users. It provides safe and efficient charging of the smartband. It is the ideal solution if the original cable is lost or damaged, guaranteeing full compatibility and hassle-free operation.

The AK-SW-49 smartband charging cable provides optimal charging conditions, precisely tailored to the energy requirements, so that your wristband's battery will be **charged quickly and safely**. The clever **USB plug** solution makes the cable compatible with a wide range of USB chargers. This increases its versatility and makes it easy to charge your wristband anywhere.

The OPPO Band charging cable AK-SW-49 is a convenient and practical accessory that is an essential part of the daily use of your fitness band.
