

## Qoltec Hard drive Enclosure M.2 SATA SSD NGFF | USB 3.0

Product code: 51854

Portable hard drive enclosure, allows you to connect your SSD to your computer with a high-speed USB B micro 3.1 connector and USB port . It has a plug & play function.

### INNOVATION WITHIN YOUR REACH

The Qoltec Portable Docking Station allows you to connect an SSD to an M.2 SATA slot, and then via a USB connector to an electronic device of your choice. The station works with devices such as TV, computer, laptop. The kit includes all accessories for mounting the drive.

## SMALL SIZE - WIDE COMPATIBILITY

The main advantages of the product are:

- small size - making the case handy,
- **Plug&play function** - no need to install additional drivers,
- aluminium enclosure protects the electronics and ensures fast data transfer,
- Compatible with M.2 SATA SSD (**2230/2242/2260/2280**)

## COMFORT OF USE

There is no need to install drivers, simply plug into a USB port and use thanks to the simplicity of the **Plug&Play** function. The product is ergonomically shaped for comfortable use, and the minimalist and elegant design, which is given by the thin and light casing, creates a perfect aesthetic of the device.

## CONFIDENCE CONFIRMED BY A WARRANTY

Do you care about the high quality of the product you buy? Our solutions will meet your expectations. The docking station comes with a **24-month warranty** valid from the date of purchase.

## TECHNICAL DATA
