MediaRange USB Type-C® 5-in-1 Multiport Adapter, Silver

Connectivity and Versatility for Every Setup

MediaRange offers a range of essential computing accessories designed for maximum productivity and convenience. Whether you're working at home, in the office, or on the go, our hubs, adapters, and docking solutions deliver fast data transfer, seamless connectivity, and universal compatibility.

Engineered for performance and built with durable materials, our multiport adapters help you connect your USB-C devices to displays, storage, and peripherals with ease—making them a must-have for modern digital workflows.

Our USB Type-C® 5-in-1 Multiport Adapter combines sleek design with powerful functionality, offering an all-in-one solution for expanding your device's connectivity. With support for USB 2.0, HDMI, and USB-C Power Delivery (PD 3.0), this compact adapter is perfect for

professionals and everyday users alike.

Transfer files at speeds up to 480 Mbit/s, connect an external display with resolutions up to 4K (60 Hz), or quickly charge your laptop with up to 84W via the Powerthrough charging port—all from a single USB-C port. With its lightweight aluminum housing and Plug & Play functionality, this adapter is ideal for mobile use and minimal desk setups.

Compatible with Windows, macOS, and Android systems, the adapter requires no additional drivers and is USB bus-powered for convenient, hassle-free operation.

Key Features:

- 5-in-1 Functionality: Expand your USB-C port into HDMI, USB, and Power Delivery all at once.
- High-Speed Data Transfer: Two USB 2.0 ports offer up to 480 Mbit/s transfer rates.
- Power Delivery Charging: USB-C PD 3.0 port supports up to 84W for charging connected laptops or devices.
- 4K HDMI Output: Extend your screen in resolutions up to 3840 x 2160 @ 60Hz on one monitor or 4k@30Hz* on two monitors simultaneously.
- Compact and Lightweight: Silver aluminum housing offers durability and portability for mobile use.
- Plug & Play: No drivers needed; instantly ready for Windows, macOS, and Android.

FEATURES

- **2x USB 2.0 Ports:** Supports data transfer speeds up to 480 Mbps, ideal for connecting peripherals such as keyboards, mice, and USB flash drives.
- **2x HDMI Ports:** Enables high-definition video output, supporting resolutions up to 4k@60Hz* on one monitor or 4k@30Hz* on two monitors simultaneously, perfect for extending or mirroring your display for presentations, streaming, and multitasking.
- **USB-C Power Delivery:** The USB-C Power Delivery Port with a maximum capacity of 84W, ensuring efficient power management for connected devices.
- **Compatibility:** Compatible with Windows, Mac OS, and Android systems. Disclaimer: Compatibility may vary depending on device specifications and operating system versions.

APPLICATIONS

Common Use Cases

- **Office & Business:** Connect to monitors and projectors with HDMI for sharp visuals.
- **Data & Storage:** Access USB drives, card readers, or external hard drives with USB 2.0 speeds.
- **Remote & Mobile Work:** Compact and lightweight for any workstation.
