

Thermaltake Pacific 3/8" ID x 1/2" OD Compression

Liquid cooling system fitting - chrome

Group	Cooling Accessories
Manufacturer	Thermaltake
Manufacturer item no.	CL-W033-CA00SL-A
EAN/UPC	4717964399038

Description

The Thermaltake Pacific Compression series provides a complete solution for enthusiast and custom PC builders to meet the needs of setting up a complete water cooling system. With G1/4" durable copper fittings, finished in black coatings, take every detail seriously.

The fittings allow proper connection to G1/4" ports, securing properly to cooling components while providing an even seal around the tubing.
