Description

Take full advantage of MagSafe technology with a slim and portable 2500 mAh power bank that snaps magnetically onto your iPhone 12. Get a quick and easy power boost that doesn't block your camera while you're on-the-go so you never miss a moment or lose connection with the world.

A Quick Magnetic Power Boost

A wireless charging power bank that takes full advantage of MagSafe technology and won't block the iPhone 12's camera, so you can keep using your phone while it charges. Perfect for travel or commuting, this slim and portable charger provides a quick power boost anywhere you go. An LED light lets you know when the power bank needs recharging, and pass-through charging lets you keep charging your phone at the same time.

Aligned Magnetic Attachment

Get a more efficient charge for the iPhone 12 with perfect alignment every time thanks to MagSafe compatibility. Just snap your iPhone 12 in place, no need for cables or precise placement.

Never Miss a Moment

The wireless power bank doesn't block the camera on your iPhone 12, so you can keep shooting content and capturing life's moments while you charge.

Take it Anywhere

A slim, portable design allows you to easily slip the power bank into your purse or pocket so you can keep charging no matter where you go.

Uninterrupted Charging, Always

Keep charging your phone even when the power bank itself needs recharging, thanks to pass-through power technology.

2500 mAh of Power

Give your iPhone 12 a quick boost up to 50% power, or up to 8.5 extra hours of video play back time*

MagSafe Case Compatible

No need to remove your MagSafe official case when charging your iPhone 12.

Please note: secure magnetic attachment only for iPhone 12 Pro Max, iPhone 12 Pro, iPhone 12, and iPhone 12 mini; does not work with non-MagSafe cases.

Stay Ahead of the Game

An LED light indicator tells you when the charger needs recharging, so you're never caught unprepared.
