

ThinkVision P24q-30 Monitor

Designed for effortless productivity.

Smarter
technology
for all

Boost your multitasking efficiency.

The ThinkVision P24q-30 Monitor is innovated to boost your productivity with speed and efficiency. The monitor's generous 23.8-inch QHD panel delivers crisp and clear views in a single glance. Its 3-side NearEdgeless design enables a distraction-free multiscreen experience. And with the In-Plane Switching panel, you can expect this high color accuracy and image quality from almost every angle - offering you an effective collaboration experience. View documents, images, graphics, and even videos you work on, in dynamically vivid and accurate colors with the monitor's 99% sRGB with Avg. Delta E<2, and HDR10 support. Multitask effortlessly by viewing more information at once with daisy chain, which lets you attach additional screens - horizontally or vertically. A dedicated USB Type-A at the top, offers a cableless modular VoIP solution for the addition of MC60 Monitor Webcam¹ and MS30 Monitor Soundbar¹. The ergonomic stand with lift, tilt, swivel, and pivot functionality offers maximum flexibility to adjust the monitor for a comfortable viewing experience. A one-button joystick helps you quickly access display settings. The Natural Low Blue Light technology reduces harmful blue light emission while keeping on-screen colors true-to-life and enabling longer hours of comfortable working. In an effort to care for the environment, this monitor is delivered to you in a recyclable pulp package. The ThinkVision P24q-30 Monitor is designed to enhance efficiency, clarity, and comfort to improve your productivity.

Features of ThinkVision P24q-30 Monitor

Sharper display for superior efficiency.

With a sleek and slim 3-side NearEdgeless design, the ThinkVision P24q-30 Monitor's 23.8-inch display gives you a distraction-free on-screen experience. This QHD display delivers detail-oriented professionals with notably sharper images, line drawings, and texts. This monitor exhibits 99% sRGB with calibrated color accuracy (Avg. Delta E<2), especially crucial when performing professional tasks where color accuracy is critical. And with the addition of HDR10 support, you get a realistic visual experience with vividly dynamic contrasts. The ThinkVision P24q-30 Monitor's Natural Low Blue Light technology protects your eyes from harmful blue light emissions while retaining color accuracy.

Unleash limitless efficiency.

The ThinkVision P24q-30 Monitor's daisy chain support enhances your viewing experience and multitasking capabilities by allowing you to attach additional screens so you can view more information simultaneously. Personalize the monitor's settings to your preference with the integrated Lenovo ThinkColour Software's² on-screen menu that lets you toggle using the mouse for maximum comfort and a smoother user experience. A dedicated USB Type-A port at the top allows for MC60 Monitor Webcam and MS30 Monitor Soundbar¹ support that delivers video conferencing capabilities without the clutter of multiple wires and plugs.

Designed for comfort, committed to sustainability.

The ThinkVision P24q-30 lets you adjust the monitor position for a comfortable, relaxing posture with the ergonomic stand's extensive lift, tilt, swivel, and pivot functionality. The ThinkVision P24q-30 Monitor's cable management clip ensures that your workspace is clutter-free. A flexible phone holder helps you keep your phone right where you can see it. The monitor's one-button joystick lets you customize the monitor's settings conveniently. ThinkVision P24q-30 is designed with the environment in mind and delivered a recyclable paper pulp cushion. All in all, the ThinkVision P24q-30 Monitor is crafted to cut the clutter, making your work environment comfortable, efficient, and sustainable.
