#### **FEATURES**

## Twin Frozr 7 Thermal Design

- TORX Fan 3.0
  - Dispersion fan blade: Steep curved blade accelerating the airflow.
  - Traditional fan blade: Provides steady airflow to massive heat sink below.
- Mastery of Aerodynamics: The heatsink is optimized for efficient heat dissipation, keeping your temperatures low and performance high.
- Zero Frozr technology: Stopping the fan in low-load situations, keeping a noisefree environment.

## Dragon Center

 A consolidated platform that offers all software including MYSTIC LIGHT functionality for your MSI Gaming product.
