

Eclipse 5145

Single-Line Laser Scanner

Honeywell's Eclipse 5145™ is a low cost laser-based alternative to CCD scanners. Its compact form factor and high end feature set simplify its use in a variety of applications at the press of a button.

Eclipse is a single-line, hand-held laser scanner. Equipped with Honeywell's patented CodeGate® technology, Eclipse can be used in a wide variety of applications. CodeGate® technology allows the user to easily target the desired bar code and complete data transmission with the press of a single button. This makes Eclipse a perfect selection for menu scanning, point-of-sale, document processing and inventory control.

With Honeywell's state-of-the-art scanning technology, the Eclipse 5145 has a longer working range and a wider scan field than a typical CCD. The width of the scan line grows as the scanner moves further away from bar codes.

CodeSense® is a unique feature employed by Eclipse in the absence of infrared object detection. It provides the user with a pulsing laser line for bar code detection. When a bar code is detected, the laser line switches to a constant state to allow for scanning via CodeGate®.

Features

- **CodeGate:** Zero in on desired code and complete data transmission with the push of a single button—ideal for menu scanning applications
- **CodeSense:** Automatically wakes scanner from sleep mode when a bar code is detected
- **Powerlink Cables:** Uses the same user-replaceable cables and power supplies as Voyager® and Orbit®
- **Flash ROM:** Protects POS investment with free firmware updates via MetroSet2 software and standard PC
- **OPOS and JPOS System Compatible:** Easily adaptable to any end-user system environment

Eclipse 5145 Technical Specifications

Mechanical

| | |
|--------------------|---|
| Dimensions (LxWxH) | 169 mm x 63 mm x 51 mm (6.7" x 2.5" x 2.0") |
| Weight | 100 g (3.5 oz) |

Electrical

| | |
|------------------------|---|
| Input Voltage | 5 VDC ± 0.25 V |
| Operating Power | 675 mW (125 mA @ 5 V) |
| Host System Interfaces | USB, RS232, Keyboard Wedge, IBM 468xx (RS485) |

Environmental

| | |
|-----------------------|--|
| Operating Temperature | 0°C to 40°C (32°F to 104°F) |
| Storage Temperature | -40°C to 60°C (-40°F to 140°F) |
| Humidity | 5% to 95% relative humidity, non-condensing |
| Drop | Designed to withstand 1.5 m (5') drops |
| Environmental Sealing | Sealed to resist airborne particulate contaminants |
| Light Levels | 4842 Lux |

Scan Performance

| | |
|-------------------|--|
| Scan Pattern | Single scan line |
| Scan Speed | 72 scan lines per second |
| Scan Angle | Horizontal: 50° |
| Print Contrast | 35% minimum reflectance difference |
| Pitch, Skew | 68°, 52° |
| Decode Capability | Reads standard 1D and GS1 DataBar symbologies. |
| Warranty | 3 year factory warranty |

| Typical Performance* | |
|----------------------|------------------------------|
| Narrow Width | Depth of Field |
| 5.2 mil | 0 mm - 51 mm (0" - 2.0") |
| 7.5 mil | 0 mm - 76 mm (0" - 3.0") |
| 10.4 mil | 0 mm - 108 mm (0" - 4.0") |
| 13 mil | 0 mm - 140 mm (0" - 5.5") |
| 26 mil | 25 mm - 178 mm (1.0" - 7.0") |

*Resolution: 4 mil (0.102 mm)

*Performance may be impacted by bar code quality and environmental conditions

About LOGISCENTER

Logiscenter is the leading provider of automatic identification and data capture equipments. Our products include barcode printing and reading devices, mobile computing devices, wireless access points, identification cards, and consumables.

Reasons to work with us

Our customers come first. Our objective is not only selling our products but also holding a long-lasting relationship with our customers, based on the benefits and advantages we create for you and your company.

The best brands. We offer products from the best manufacturers worldwide.

Expert technical support team. Our support staff are experts in the products we sell. But not just the products, they can tell you the best solution for your particular problem or need.

Largest stock. We have a permanent stock of more than 60,000 products.

Same-day shipping. For all orders placed and confirmed before 16:00 on working days.

Best prices. With Logiscenter, you can be sure that you are paying a fair price for your products, we will not overcharge you.

Easy returns. Damaged or defective products can be returned easily, for an exchange or reimbursement.

Solutions for: Industry • Consumer • Mobility Transportation and Logistics • Retail • Health
