

## Picture-perfect in every sense.

A display that complements your work and play.

The Lenovo D24-40 Monitor is designed to enhance your productivity and gaming fun. The monitor's 23.8-inch VA panel with 3-sided slim bezels delivers you a virtually 3-side NearEdgeless visual experience. No matter from which angle you are looking at the screen, the visuals remain powerful and consistent, thanks to its 178°/178° viewing angle. The FHD (1920 x 1080) resolution renders detailed imagery so your text looks sharp and gaming visuals lively. See the full spectrum of colors with the 72% NTSC color gamut support and let visuals come to life that perfectly balances brighter and darker parts of the imagery. Experience superfluid streaming and gameplay thanks to the 75Hz<sup>1</sup> refresh rate and 5ms response time. The AMD FreeSync™ technology<sup>2</sup> removes latency so you get smooth, tear-free visuals. The Lenovo D24-40 Monitor's TÜV Low Blue Light certified technology and Natural Low Blue Light technology ensure that extended screen time is easy on your eyes by protecting them from harmful blue light emission without color distortion. Plug in any laptop, CPU, and audio devices to the monitor with its multiple connectivity options including HDMI, VGA, and audio ports. Adjust the monitor for optimal viewing comfort with the tilt option. You can also VESA Mount it for a neat and tidy workspace. The smart cable management system hides cables at the back of the monitor leaving you with more elbow room to work and play. Say hello to the new all-rounder with the Lenovo D24-40 Monitor!

## Features of Lenovo D24-40 Monitor

### An attractive display

The Lenovo D24-40 Monitor's 23.8-inch 3-side NearEdgeless VA panel readily arrests your focus. Its 178°/178° viewing angle ensures uniform color and image reproduction from every perspective. Explore finer details in the imagery through its FHD (1920 x 1080) resolution. Treat your eyes to rich colors with a 72% NTSC color gamut that renders every visual and video content with excellent clarity and smoothness.

### Seamless video

The Lenovo D24-40 Monitor provides a seamless viewing experience with a 75Hz<sup>1</sup> refresh rate and 5ms response time. AMD FreeSync™ technology<sup>2</sup> takes it a step further, offering you synchronized action during fast-moving scenes without stuttering or tearing. In addition, the TÜV Low Blue Light certified technology and Natural Low Blue Light technology protect your eyes from harmful blue light by cutting down on its emission without compromising video quality.

### Connect to convenience

You get HDMI, VGA, and audio-out connectivity in the Lenovo D24-40 Monitor to seamlessly connect your laptop/PC and audio gear. The monitor's tilt options ensure that you will always find a comfortable working posture. VESA Mount support gives you more options to mount your monitor where you see fit. The smart cable management system lets you tuck all the wires at the back of the monitor, giving you a clear desk with more elbow room.

<sup>1</sup> HDMI only. | <sup>2</sup> AMD FreeSync™ technology can only work with AMD Radeon™ series graphics card.
