## Description

**Akyga® AK-SW-08** is a compact adapter for charging your **Samsung Galaxy Fit E (SM-R375)** smartwatch wherever you are. The small size of the adapter makes it convenient to charge your watch also on the go. And the short **15 cm cable with a USB connector** guarantees compatibility with any device equipped with this socket. You decide what you want to connect the charger to, be it a laptop, powerbank or AC adapter. The only requirements it has to meet are the parameters **5 V / 1 A**. In addition, the charger has two **spring-loaded pins**, which ensure that the connected band always adheres with the right force. This way you can be sure that your watch is provided with ideal charging conditions.
