i-tec MySafe Advance Black 3.5

i-tec MYSAFE Advanced 3.5" USB 3.0
External aluminium case for SATA I/II/III
and SSD discs - black

PRODUCT DESCRIPTION

The ADVANCE Series is the highest level of i-tec accessories bringing you the cutting edge technologies of products with a modern design and exclusive packaging.

USB 3.0 Advance Black HDD is an external case for all 3.5" SATA I, II, III hard discs. The USB 3.0 connection offers you a quick and easy data transfer (up to 5 Gbps) but the device is backward compatible with standards USB 2.0/1.1 as well.

The solid aluminium construction ensures an effective heat dissipation and hard drive protection. A small stand is included in the package so that you can have the case in a vertical position and save place on your table.

HDD installation is very simple, it takes you just a few minutes.

In case of problems with the installation, technical difficulties or incorrect function of the equipment, check first for the possible solution in the FAQ tab.
