Circle View Camera

Group	Network Cameras
Manufacturer	Logitech
Manufacturer item no.	961-000490
EAN/UPC	5099206089228

Description

Get secure video you can trust with the Circle View Apple HomeKit-enabled home security camera. Stay informed and feel secure with best-in-class Logitech TrueView™ video featuring full 1080p HD, 180° field-of-view, wide dynamic range, and enhanced infrared night vision up to 15 ft away. Designed with a weatherproof body that can brave the elements, indoors or out.

Need instant privacy at a moment's notice? Simply tilt the camera down to hide from view, or press the cut-off button to immediately stop streaming and recording. Apple HomeKit Secure Video provides complete control over Circle View through the Home App, with customizable recording schedules and end-to-end video encryption.
