4-PORT USB 3.2 GEN 1 ALUMINIUM HUB

Sharkoon's 4-Port USB 3.2 Gen 1 Aluminium Hub easily expands compu-ters with four additional USB 3.2 Gen 1 ports. With its robust casing made of aluminium and the elegant design, the hub makes the right impression for portable use away from home. In addition, the included USB Type-C adapter ensures that the hub can also be connected to modern portable devices.

Features

FLUID DATA TRANSFER
The 4-Port USB 3.2 Gen 1 Aluminium Hub delivers fast data transfer of up to 5 Gbit/s. It has an integrated USB cable with a length of 45 cm and a Type-A plug for conveniently connecting to common USB ports. Thanks to the included USB adapter with a Type-C plug, the hub can also be operated on devices which have the modern USB connection.

FOR PORTABLE USE
The elegant and compact design of the hub ensures that it can be used easily and portably on any trip from home. All devices are supported that have a USB Type-A or USB Type-C connection and that operate with Windows, macOS, ChromeOS or Linux.
