Description

The **Akyga® AK-MB-11 TV mount** is a versatile wall bracket, designed with maximum functionality and space aesthetics in mind. This mount allows you to conveniently install TVs with a **screen size ranging from 37 to 75 inches**, making it suitable for living rooms, offices, or conference rooms. The sturdy construction ensures stability and allows for optimal use of space, contributing to a neat and elegant appearance in any interior.

TV Mounting Standard — VESA 600x400 mm

The AK-MB-11 **TV mount** supports the **VESA 600x400 mm standard**, making it compatible with a wide range of TVs available on the market. Simple and quick installation means that even larger TVs can be securely and safely mounted. The structure supports screens with a **maximum weight of up to 40 kg**, ensuring trouble-free use in a variety of spaces.

TV Bracket — Safety and Durability

This solid **wall mount** has been designed with the safety of large-screen TVs in mind. Its robust construction minimises the risk of accidental damage to your equipment, making it an ideal choice for both private use and public spaces.

Tilt and Rotation TV Adjustment

With its wide range of adjustments, the TV mount allows you to easily customise the screen position to your personal preferences. The bracket enables a **rotation range of +/- 90 degrees** and a **vertical tilt adjustment of +5/-8 degrees**. Such possibilities of TV positioning guarantee comfortable viewing from various locations in the room, eliminating unwanted glare and improving picture quality.

The TV wall mount is the perfect solution for those looking for a practical and secure way to mount large TVs, without compromising on comfort and aesthetics.
