

Logitech POP Icon Keys wireless keyboard

Add an extra pop to your desk with the POP Icon Keys wireless keyboard, a compact keyboard with a bold aesthetic, comfy typing, and customizable Action Keys[2].

Get comfortable with the contoured, low-profile keys for comfy, quiet, laptop-like typing and make your life easier with the customizable Action Keys and Logi Options+ App[2] where you can switch between work and break mode effortlessly.

WHAT'S IN THE BOX

- - Keyboard
- - 2 X AAA batteries (pre-installed)
- - User documentation
- - Sticker
- - Warranty card for JP

FEATURES

- **Start With a POP:** Proudly express yourself and own your space with the Logitech POP ICON KEYS, a wireless Bluetooth keyboard with a bold aesthetic, comfy typing, and customizable Action Keys (1)
- **Dare to Be Different:** This colorful keyboard is anything but ordinary, with a refined shape, detailed transparent frame, and fresh colors
- **Comfy Typing:** With contoured, low-profile keys that fit your fingers perfectly, the POP ICON KEYS is a compact keyboard with a comfortable, quiet, and familiar, laptop-like typing experience
- **Life Is Easier With Shortcuts:** Quickly switch between work, social, and break (Netflix, Spotify) modes, or access your AI tools in less than 1 second (2) with the Action Keys and Logi Options+ App (1)
- **Easily Hop Across 3 Devices:** Connect with Bluetooth to up to 3 wireless devices across OS (Windows, macOS, iPadOS, iOS, ChromeOS), and switch between them with a press of the Easy-Switch button
- **Go for Longer:** This Bluetooth wireless keyboard has a 3-year battery life (3) and power-saving auto-sleep mode, giving you hours of use wherever you go; 2 AAA batteries are included
- **Made With Recycled Plastic:** Why buy boring when you can buy better? Plastic parts in the POP ICON KEYS include between 37% and 70% recycled plastic depending on the color (4)
- **Responsibly- Sourced Packaging:** The packaging of the POP ICON KEYS (including product wrap) comes from FSC-certified forests and other controlled sources

[1] POP Icon Keys plastic content: between 37% and 70% recycled plastic depending on the color, excluding plastic in printed wiring assembly and packaging.

[2] Logi Options+ App is available for recent versions of Windows and macOS

[3] Battery life may vary based on user and computing conditions.

[4] Tested by Logitech in Switzerland with 30 people (2024)
