

Tie Lavalier Microphone Omnidirectional with Clip 3.5 mm stereo jack male 3 pin + Adapter Cable for Smartphone and Tablet

Description

This tie lavalier microphone by Delock is designed for mobile use and hands-free recording.

With clip to attach

It can easily be clipped to a tie or collar.

Optimal recordings

The omnidirectional polar pattern captures the sound optimally and achieves a high recording quality. This makes it ideal for skyping, interviews, voice recordings, etc.

Multifunctional application

It can be connected to any PC or laptop via the 3 pin stereo jack connector. The 4 pin Y-adapter included in the delivery also allows connection to a tablet or smartphone.
