

NEC PV710UL

Professional Value LCD Laser Installation Projector

Datasheet

LASER
PHOSPHOR

Cost-effective LCD-based laser projector with interchangeable lenses

A highly economical projection solution, the PV710UL offers essential installation flexibility, low maintenance and long-life laser performance, yet remains impressively cost-efficient and conveniently compact.

3LCD technology generates brilliantly vivid colour, which, at 7100 Lm brightness, promotes an outstanding visual perception. A broad range of interchangeable lens options are available, alongside essential professional features.

The PV710UL offers the ideal upgrade path to transition to long-life, maintenance-free laser light source technology. Using the same mount and lenses as the lamp-based NEC PA Series projectors, operators can gain additional cost savings by utilising existing assets. For visualisation in large spaces, the PV710UL offers outstanding value for higher education, corporate, leisure and hospitality sectors.

Benefits

No lamp replacement – up to 20,000 h maintenance free operation possible due to Laser Light Source.

Get Great Performance – while not compromising on quality and ease of use.

Low Noise Level – with 31dB, the silent technology will not disturb your meeting.

Impress with vivid colour & contrast – brilliant white and wide colour space with high dynamic contrast.
