¹ This thickness including the speaker bar.
² Lenovo tablets typically receive at least 1 Android™ OS upgrade
cycle. May vary per models, countries, regions, retailers and
operators. Contact support for more details.
³ For LTE SKU.
⁴ All battery life claims are approximate. Actual battery
performance will vary and depend on numerous factors
including product configuration and usage, software, operating
conditions, wireless functionality, power management settings,
screen brightness and other factors. The maximum capacity of
the battery will naturally decrease with time and usage.
