Galaxy Tab S9

Power through your workday

Get the power to realize your workday's full potential. Galaxy Tab S9 pushes the boundaries of what you expect from a tablet. Supported by a mighty processor and a powerful battery, you can seamlessly switch between accomplishing work priorities and stay powered up throughout your workday.

You'll have plenty of room on the vibrant and surprisingly portable 11" screen¹ to make the day uniquely yours — tackle your to-do list, bring your ideas to life or take notes by hand with the included S Pen for that smooth pen-to-paper feeling. And the 120Hz refresh rate makes every experience super smooth.

Plus, with convenient Galaxy connectivity, you'll discover even more ways to maximize your workday. Pair with your other devices to quickly share notes or files in a snap from your Tab with Quick Share² — it even works with non-Galaxy devices — and take calls³ or send texts on your Tab without missing a beat.

Our most powerful tablet processor yet

Unleash greatness in your workday with a superfast Snapdragon® 8 Gen 2 chip, our most powerful tablet processor yet.⁴

Stands up to dust and water

Enjoy peace of mind knowing your Tab S9 is built to protect against bumps, dust and splashes.⁵

Intensely brilliant screen

Enjoy intense colors, deep contrasts and unbelievable brilliance on an 11" Dynamic AMOLED 2X screen.¹

A battery that lasts and lasts

Enjoy your Tab S9 in the office or on the go to the fullest with a long-lasting battery.⁶

¹Measured diagonally, the Galaxy Tab S9 screen size is 11" in the full rectangle and 10.9" accounting for the rounded corners. Actual viewable area is less due to the rounded corners and the camera hole. ²Quick Share between Galaxy devices available with the following OS: smartphones and tablets with Android OS version 10.0 (Q) and One UI 2.1 or above, PCs running Windows 10 or later. Requires Samsung account and Wi-Fi and Bluetooth connection. Quick Share to iOS and Android devices available by sending shared link: individual files shared cannot exceed 3GB (for a total of 5GB per day) and link will expire after two days; requires a Samsung account and internet connection. ³Requires devices to have One UI 2.5 or later. Devices must be logged in to the same Samsung account and be on the same Wi-Fi network. ⁴Qualcomm is a product of Qualcomm Technologies, Inc. and/or its subsidiaries. Qualcomm is a trademark of Qualcomm Incorporated, registered in the United States and other countries. ⁵Consistent with IP68 rating, water resistant in up to 5 feet of water for up to 30 minutes. Rinse residue / dry after wet. ⁶Wall charger sold separately; use only Samsung approved chargers and cables. To avoid injury or damage to your device, do not use incompatible, worn or damaged batteries, chargers or cables. Supports up to 45W charging. Based on local, 720p resolution video playback, default video player (full screen), 162 nit brightness, earbud volume 7, Wi-Fi and mobile network off.
