# Description

The **Xiaomi Akyga® AK-SW-41 smartband charging cable** is a high-quality accessory that has been designed for users who value reliability and convenience. With a length of 1 m, the cable provides comfortable charging of your device, both at home and on the go.

The product is compatible with popular **Xiaomi** smartband models such as **Redmi Watch 2 Lite, Redmi Smart Band Pro, Redmi Watch 3, Band 7 PRO, Poco Watch, Redmi Watch 2, Redmi Horloge 2**, making it an ideal solution for users of these devices. The cable is equipped with a **USB** connector, allowing it to easily connect to multiple power sources such as a laptop, powerbank or standard mains charger.

The cable supports a voltage of 5 volts and a current of 1 amp, which guarantees safe and stable charging of your device, while minimising the risk of overheating or damaging the battery. The robust construction of the cable ensures long life and resistance to daily use, while the elegant black colour makes the product fit in with any style.
