- **Connector:** USB 3.0 card reader
- **Data rate:** USB 3.0 SuperSpeed up to 5Gb/s
- **Slots:** SD x 2 and MicroSD/TF x 2
- **Installation:** Simple Plug and Play

Description

The BIAN04B 4-in-1 Card Reader provides steady and efficient data transmission for fast file transfers from multiple memory cards. With a USB 3.0 SuperSpeed interface, it supports transfer speeds up to 5Gbps for photos, videos and documents.

It is compatible with SD, SDHC and SDXC cards as well as Micro SD/T-Flash, Micro SDHC and Micro SDXC formats, and offers multiple slots for SD and MicroSD/TF media. Powered directly via USB, it requires no external power supply, making it suitable for travel, daily office work and content offloading workflows.

With simple plug-and-play installation, the BIAN04B is easy to use on compatible computers for quick access to common memory card formats through a single USB connection.
