# HP 400 Backlit Wired Keyboard (7N7C0AA)

## Overview

### The 24/7 keyboard

With warm white illuminated keys, this ready-to-go keyboard never misses a beat. Plug into your device and grind away with quiet keys and three levels of backlit LED glow. Plus, skyrocket your productivity with 12 programmable keys. Work and play all day on the slim and sanitizable[1] HP 400 Backlit Wired Keyboard.

### Ready to go. Ready to work.

Bouncing between your home-office and the office-office is a piece of cake for this slim and comfy keyboard. It's spill resistant, sanitizable[1] and space saving, excellent for commuting and travel. When you find yourself working into the evening, enjoy its warm white LED glow and super-quiet keys.

### No simpler way to connect

This portable keyboard plugs right into any of your devices. Equipped with a USB-C® cord and USB-A adapter, it's always ready to get to work. Travel and commuter friendly. Illuminate your keys without worrying about battery life. Just an always-on keyboard whenever and wherever you work.

### Create your new favorite key

Adjust your workspace to suit you. With 12 programmable keys[1], you can create your own shortcuts or automate difficult keystroke combinations to save yourself time while you work. And with a 0–6 degree tilt and three levels of adjustable LED brightness, comfort is in your hands.

### Built for a better tomorrow

The better choice for a brighter tomorrow, the HP 400 Backlit Wired Keyboard is sustainably designed using 50% post-consumer recycled materials[3]. With FSC certified, all-fiber, plastic-free packaging, you can be confident your keyboard does good things for the planet while doing amazing things for you.

# Features

### Warm LED light

Easy on the eyes with three brightness levels to keep you focused.

### Multi-OS compatible

Worry-free, wired connection to almost any device.

### USB-C® cable included

Removable USB-C® cable with USB-A adapter included.

### Slim design with full numpad

Full-size numpad and directional keys in a commute-friendly design.
