Description

Akyga® AK-SW-05 is a high quality **charger for Huawei watches**. It features a simple yet elegant finish that blends in perfectly with bright straps and bracelets. The charger has a **detachable 1m cable**, so you can easily swap the cable for another. Whether you need a different connector or want to replace it with a longer one. The included cable ends on one side with a universal **USB-A connector**. It fits among others into sockets found in laptops, powerbanks and network chargers. On the other side of the cable has a **USB-C plug** corresponding to the socket located in the charger. This connector is currently the most popular among USB connectors. What's more, the adapter is equipped with a **built-in magnet** to prevent accidental disconnection of the watch during charging.

It fits among others: Huawei Honor Magic Watch, Huawei Honor Magic Watch 2, Huawei Watch GT, Huawei Watch GT 2, Huawei Watch GT 2 PRO, Huawei Watch 2E.
